PRAYER

The Chaplain, the Reverend Margaret Grun Kibben, offered the following prayer:

O God, our God, remind us again that Your love is forever. Whatever took place in the past is now in Your merciful keeping. Use what we have learned from our mistakes yesterday to give us wisdom for today. Take what we have accomplished and bless it, that our labor would serve to glorify You.

Grant that what we set out to do this day would reflect the mercy You have shown us, that in our interactions with family, friends, colleagues, and even enemies, we would reveal the same compassion You have given us. Work in us that our whole being will reflect Your faithfulness to this generation.

Your love stands firm forever. In the covenant You have made with us, You have promised us strength and safe-

keeping forever. May we dedicate ourselves to live up to our responsibilities to this bond You have established with us, that we would ever bring glory to You.

Your kingdom is built on truth and justice. Love and faithfulness are servants to Your throne.

In this promise do we find strength and purpose, and in Your sovereign name we pray.

Amen.

EXTENSIONS OF REMARKS

REMEMBERING THE LIFE AND LEGACY OF MASTER SERGEANT JEREMY ROBERT BURRIS

HON. ELISE M. STEFANIK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, June 30, 2023

Ms. STEFANIK. Mr. Speaker, I rise today to honor the life and legacy of Master Sergeant Jeremy Robert Burris.

A native of Crown Point, New York, Master Sergeant Burris attended Crown Point Central School prior to graduating with Honors from Hudson Valley Community College in 2005 with an Associate's Degree in Criminal Justice.

Following his graduation, Master Sergeant Burris answered the call to protect his country and enlisted in the United States Army. He served as an Explosive Ordnance Disposal Specialist, a hazardous and technically chalenging position that is regarded as one of the most dangerous in the Army. Burris served his country dutifully and honorably for eighteen years, attaining numerous accolades that reflected his outstanding skills and conduct. Master Sergeant Burris earned two Bronze Star Medals, a Meritorious Service Medal, seven Army Commendation Medals and an additional one with a distinction for Valor, an Army Achievement Medal, five Army Good Conduct Medals, a National Defense Service Medal with Bronze Service Star, an Afghanistan Campaign Medal with Bronze Service Star, an Iraq Campaign Medal with Bronze Service Star, a Global War on Terrorism Service Medal, a Combat Action Badge, a Master Explosive Ordnance Badge, an Air Assault Badge, a Driver and Mechanic Badge, a Combat and Special Skill Badge, Basic Marksmanship Qualification Badge, four Overseas Service Bars, along with a number of other distinctions. Master Sergeant Burris's impeccable military service record warrants the Nation's undying gratitude and everlasting respect.

Despite his extraordinary service, Master Sergeant Burris was much more than his rank and military accomplishment. He was a devoted father, husband, and son. He adored spending time with his wife and children, and he found himself happiest in the company of his loving family. Mr. Burris is a touching reminder that no matter how striking one's professional accomplishments may be, their true legacy lies in the impact they impart on those around them. Without a doubt, Master Sergeant Burris's most meaningful legacy is that of his two children, Jerico and Mila.

On behalf of New York's 21st District, I am honored to recognize the extraordinary service and exceptional life of Master Sergeant Jeremy Robert Burris. His enduring contributions to his family, the United States Army, and the Nation will not soon be forgotten.

HONORING CASA DE VENEZUELA ORLANDO'S 20TH ANNIVERSARY

HON. DARREN SOTO

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES Friday, June 30, 2023

Mr. SOTO. Mr. Speaker, as Casa de Venezuela Orlando celebrates their 20th anniversary this July, we are recognizing their impact across the Central Florida community and beyond

In July 2003, a group of Venezuelan citizens led by William J. Diaz gathered in Orlando, Florida to create an organization tasked with promoting cultural, social, and civic values within Central Florida communities. They decided to be called Casa de Venezuela Orlando with Mr. Diaz elected as the first president and founder.

Over the next 2 decades, political turmoil in Venezuela continued and forced thousands of migrants to flee and move to the Central Florida region. Casa de Venezuela Orlando was organized and ready to provide support to incoming families and provide shipments with humanitarian supplies to those still in Venezuela. Throughout this time, Casa de Venezuela Orlando gained strength and support across Central Florida and obtained recognition from their community due to their attention to the humanitarian needs of Venezuelans, along with people of other nationalities who moved to the area.

For years, Casa de Venezuela Orlando has organized annual immigration-focused events, health and vaccine campaigns, back-to-school events, Christmas bazaars, medical and clothing supply drives, events with local food banks, and more. They also help the community with scholarship opportunities and academic credential validation.

In April 2015, Casa de Venezuela Orlando launched an initiative to request that Venezuela be designated for Temporary Protected Status, which would provide deportation protections and allow Venezuelans in the United States to live and work. Casa de Venezuela advocated for this program directly with elected officials. At that time, then Florida State Senator DARREN SOTO signed a letter to the Department of Homeland Security requesting this protection for Venezuelans. In 2019, Congressman DARREN SOTO and Congressman MARIO DIAZ-BALART passed a bipartisan piece of legislation out of the U.S. House of Representatives that would designate Venezuela for TPS.

HONORING BUILDING SAFETY MONTH

HON. GARRET GRAVES

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 30, 2023

Mr. GRAVES of Louisiana. Mr. Speaker, I rise today to mark Building Safety Month 2023 and to recognize the more than 63,000 members of the International Code Council (ICC) who have dedicated their careers to ensuring public safety throughout the built environment—whether in our homes, offices, schools, or houses of worship. One of those members is International Code Council President Michael Wich, the Director of Building Code Administration and Chief Building Official for the South Central Planning and Development Commission—who just happens to be my constituent from Houma, Louisiana.

The Code Council brings together local, state, and federal government stakeholders, as well as those from the private sector, to develop model codes and standards that protect the occupants of the buildings in which we live, work, and play. Those standards are then implemented year-round by building safety officials, the fire service, architects, engineers, builders, and other skilled tradespeople to ensure the safe construction and maintenance of buildings.

• This "bullet" symbol identifies statements or insertions which are not spoken by a Member of the Senate on the floor. Matter set in this typeface indicates words inserted or appended, rather than spoken, by a Member of the House on the floor. Building Safety Month was created by the International Code Council and its partners to remind the public about the professionals who ensure buildings are safe, resilient, efficient, and livable. This year's Building Safety Month theme is "It Starts with You," which encourages the public to recognize the critical role of our local code officials who work around the clock to keep our communities safe and mitigate the risks posed by natural disasters.

Building codes and standards include important safeguards to protect the public from hurricanes, tornadoes, snow and ice storms, and earthquakes. As Americans rebuild following these events, we recognize and thank those who implement and enforce building codes for protecting lives, property, and businesses, and ultimately ensuring our communities are resilient to future events.

Development, adoption, and implementation of up-to-date codes and standards has enabled Louisiana to rebuild stronger following the devastation stemming from Katrina and Rita in 2005; Gustav and Ike in 2008; Lee in 2011; Isaac in 2012; the Baton Rouge flooding of 2016; Harvey in 2017; Laura, Delta, and Zeta in 2020; and Ida in 2021.

Mr. Speaker, please join me in thanking ICC Board President Michael Wich, as well as ICC's Chief Executive Officer Dominic Sims, the International Code Council leadership, and ICC's Members and staff as they recognize Building Safety Month 2023.

HONORING THE LIFE OF HELEN REYNA

HON. J. LUIS CORREA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 30, 2023

Mr. CORREA. Mr. Speaker, I rise today to honor the life of Helen Romero Reyna.

As the fourth oldest of 10 siblings, Helen was raised not too far from the local dairy farm by the Santa Ana Riverbed. Helen is a Santa Ana native and completed her education in Orange County at a time when segregation was still in place. Although she lived in Santa Ana, she was bussed to Hoover Elementary in Westminster and graduated from Garden Grove High School.

Helen and her husband, Tomas Rangel Reyna, raised 4 children in the city her own family raised her: Tomas Reyna, Denise Reyna, Kenneth Reyna and Roman A. Reyna. She worked at Baxter until 1990 as a crossing guard and enjoyed her family to the fullest in the last 30 years. She loved family time, especially with her 8 grandchildren and 25 greatgrandchildren. She also enjoyed her weekly bingo, and cheering on the 49ers and the Lakers.

Helen leaves behind a legacy of love to all those who knew her. Let us join in mourning the loss of Helen. Her family and her community will never forget her. HONORING THE CAREER OF ADELA JONES

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 30, 2023

Mr. COSTA. Mr. Speaker, I rise today to honor the retirement of Adela Jones, a beloved educator and superintendent.

Adela Jones has served the students of Sanger Unified for 36 years. She received her Bachelor's Degree in Education from Fresno State, and her Master's Degree in Bilingual Education from Fresno Pacific University. She began her teaching career in 1984 and joined Sanger Unified as a classroom teacher in 1987. Since then, Mrs. Jones has held many positions within Sanger Unified, including Reading Development Teacher, Elementary Principal, Area Administrator, and Associate Superintendent of Educational Services. In 2018, Adela was appointed Superintendent of Sanger Unified.

Throughout her career in education, Adela has demonstrated an unwavering commitment to the education and well-being of Sanger Unified students. One of her proudest achievements lies in the creation of a strong and dedicated team of teachers and staff who have tirelessly worked to meet the needs of students—particularly during the challenging times brought about by the pandemic. From the teachers on the front lines to the support staff behind the scenes, Adela has fostered a sense of unity and purpose within the district which has prompted an excellent education to every child.

What sets Adela apart as an exceptional educator is the lasting impact she has made on the lives of her students. Many Sanger Unified employees were once her students, and they fondly remember her love of singing in class and the invaluable knowledge she imparted to them. It is a testament to her dedication and mentorship that these former students still cherish the influence she had on their lives. Adela's commitment to her students goes beyond the classroom, extending to supporting their growth and achievements long after they have left school.

Under Adela's guidance, Sanger Unified has achieved remarkable milestones and received well-deserved recognition. The opening of Sanger West High School, the establishment of six community schools through an \$8 million-plus implementation grant, and the distinction of all middle schools being recognized as Schools To Watch are testaments to her impeccable leadership. However, Adela humbly attributes these accomplishments not to her herself, but to her team as a whole.

Amidst these successes, Adela Jones has faced numerous challenges during her superintendency, with the most significant being the unprecedented closure of schools due to the pandemic. The decision to keep students and teachers apart was undoubtedly one of the hardest moments she had to endure, but it also brought about a sense of unity among her team. Adversity has a way of revealing the strength of character, and Adela's leadership shone brightly as she guided the district through uncharted territory, ensuring the continuation of learning and supporting her community during these trying times.

Mr. Speaker, I ask my colleagues to join me in honoring Adela Jones for her dedication and commitment to improving the lives of many students through education. May we never forget her contributions and continue to be inspired by her legacy.

HONORING WHITLEY COUNTY HIGH SCHOOL BASEBALL STATE CHAMPIONS

HON. HAROLD ROGERS

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Friday, June 30, 2023

Mr. ROGERS of Kentucky. Mr. Speaker, I rise today to pay tribute to the Whitley County High School Colonel Baseball Team and Coach Jeremy Shope for winning the 2023 Kentucky High School Athletic Association State Championship at the Kentucky Proud

The Colonels brought home the 13, Region's-first-ever state baseball title, returning top honors to the mountains for the first time since 2001. Rising from defeat after a district championship loss, Whitley County closed out the season with an impressive 39-4 record, defeating LaRue County, South Warren, Henderson County, and finally beating the Shelby County Rockets 2-1 to earn the state tournament crown. Our mountain student athletes have a long-held legacy of competing with tremendous grit, talent, and pride, and I am personally proud of their determination and tenacity to show the entire state what our students are capable of achieving.

When Coach Shope took over the helm of the baseball program in 2018, the Colonels had not made a tournament appearance since 2005. The team has since improved by leaps and bounds, steam rolling past their opponents, winning the regional title in 2021 and 2023, and sweeping the state tournament this

year with skillful plays that they have tirelessly trained for.

The Colonels were visibly determined to bring the state title back to the mountains. Grant Zehr, a senior pitcher, dominated the baseball mound with 96 pitches in the final game, earning the MVP award for the tournament. Bryce Anderson scored the first run thanks to an RBI ground out by Sam Harp, who scored again in the sixth inning by courageously stealing home plate, a rare feat at any level of competition. The team's stellar defense then held the Rockets to one run, securing the highly coveted banner for Whitley County High School.

It is with great enthusiasm that I join the people of southern and eastern Kentucky in celebration of the Whitley County High School Baseball Team and the coaching staff for winning the state championship. Their achievement will undoubtedly encourage our young mountain student athletes to dream bigger, knowing the state title is always within reach with sheer perseverance, excellent coaching, and hard work.

RECOGNIZING THE AMERICAN SPORTFISHING ASSOCIATION ON THEIR 90TH ANNIVERSARY

HON. ROBERT J. WITTMAN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 30, 2023

Mr. WITTMAN. Mr. Speaker, I rise today to commemorate the power of the sportfishing industry and to celebrate the 90th anniversary of the American Sportfishing Association (ASA). ASA has played a vital role in preserving and promoting our cherished fishing tradition in this great Nation. From striped bass off the Atlantic coast, grouper species in the southeastern United States and Gulf of Mexico, catfish and trout throughout America's rivers and lakes, to salmon and mahi on the west coast, the United States is truly the envy of anglers throughout the world. Over 52.4 million Americans participate in recreational fishing every year and thanks to ASA's efforts, this number continues to rise.

Anglers contribute over \$148 billion in economic output, contribute \$1.8 billion towards conservation, and support 945,500 jobs across the country. Sportfishing is a powerful driver of the U.S. economy, thanks in large part to efforts that ASA and all its members within the sportfishing industry have accomplished since their inception.

For the past 90 years, the American Sportfishing Association has been at the forefront of protecting and advancing the interests of recreational fishermen across the United States. Through collaborative partnerships with government agencies, conservation organizations and industry stakeholders, they have played a pivotal role in shaping policies that promote responsible fishing practices, support habitat restoration, and safeguard the rights of anglers. ASA has supported meaningful legislation that has advanced conservation efforts throughout the years, such as the Sport Fish Restoration Act of 1950, which established an excise tax for the conservation, management and enhancement of sport fisheries and their habitats. More recently, ASA has been a leading advocate for pivotal conservation legislation such as the Modernizing Recreational Fisheries Management Act, America's Conservation Enhancement Act and the Great American Outdoors Act. To this day, ASA supports conservation efforts on Capitol Hill and beyond and is a champion of access to fish, abundant fisheries, fair trade and commerce.

ASA has also been instrumental in fostering a deep appreciation for the great outdoors and inspiring future generations to enjoy the sport of fishing. Their educational initiatives and angler retention campaigns, such as "Fishing, Share the Fun," help to introduce new anglers, both young and old, to fishing and provide them with a lifetime of enjoyment in the sport. ASA is also a supporter of legislation that introduces children to fishing, as seen in their efforts to support the Youth Coastal Fishing Program Act.

Beyond their advocacy efforts, ASA serves as a unifying force within the angling community, bringing together diverse stakeholders, manufacturers, retailers, and fishing enthusiasts under one common purpose: the preservation and promotion of our Nation's rich fishing heritage. Every year the American Sportfishing Association hosts ICAST, the

world's largest sportfishing trade show, bringing thousands of Americans from all 50 states and over 70 countries together to showcase the latest innovations in sportfishing equipment and technology that their members have manufactured. ASA's I CAST also provides a platform for anglers and the sportfishing industry professionals to collaborate, share knowledge and form lifelong friendships dedicated to the sport.

Mr. Speaker, I ask my colleagues to join me in commending the American Sportfishing Association for their 90 years of service to the angling community. Their unwavering commitment to the sport, conservation and education has enriched the lives of countless Americans and will continue to do so for generations to come. Congratulations to ASA, their President Glenn Hughes and all their dedicated staff and members. Here's to the Association's next 90 years.

BIDEN SUBVERTS RULE OF LAW

HON. JOE WILSON

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 30, 2023

Mr. WILSON of South Carolina. Mr. Speaker, the failure to lawfully secure the border by Biden and liberal Democrats have encouraged dangerous surges in crossings of illegal aliens. This invasion exposes families to potential terrorists, human trafficking, and dangerous drugs.

The intentional failure at the border will be further documented on July 4th with the release of the movie "Sound of Freedom" at theaters nationwide. In it, Americans can see the true story of the rescue of children from sex traffickers, directed by Alejandro Monteverde with cast of Jim Caviezel, Mira Servino, Kurt Fuller, Bill Camp, Jose Zuniga, Scott Haze, Gerardo Taracena, and Eduardo Verastequi.

Since Biden took office, over 5.2 million illegal aliens have crossed the Southern Border and 1.5 million aliens have evaded apprehension. Among these numbers include over 200 on the terrorist watchlist, putting families everywhere at risk of mass murder. Rule of law is subverted benefiting illegal aliens and the Biden Family with the Hunter Biden plea deal as President Trump is targeted with fabricated hoaxes.

Over 100,000 Americans die annually by drug overdose, including those affected by materials supplied by the Chinese Communist Party. In the last six months, over 19,000 pounds of the deadly drug fentanyl have been seized at the border.

In conclusion, God Bless our troops, who successfully protected America for 20 years, as the Global War on Terrorism continues moving from the Afghanistan safe haven to America with open Biden borders.

CELEBRATING THE 190TH ANNI-VERSARY OF U.S.-THAILAND AL-LIANCE

HON. RICHARD McCORMICK

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 30, 2023

Mr. McCORMICK. I rise today to commemorate and honor the 190th anniversary of diplomatic relations between the United States and the Kingdom of Thailand. As our two nations celebrate this historic milestone, I want to acknowledge the enduring bond of trust and collaboration since the signing of the 1833 Treaty of Amity and Commerce.

I want to reflect on the remarkable journey we have shared with our oldest treaty ally in the Asia-Pacific region and celebrate the invaluable partnership that has flourished between our nations. Thailand was designated a major non-NATO ally in 2003 and is one of the strongest security partners of the United States. The annual Cobra Gold Exercise re-

mains the largest multinational military exercise in the Indo-Pacific region. Our two countries have fought side by side in countless conflicts such as the Korean War, the Vietnam War, and most notably Thailand was one of the first Asian nations to commit troops to Afghanistan and Iraq.

The longstanding friendship and partnership between The United States and Thailand has been a cornerstone of stability and progress in the Asia-Pacific region with multilateral agreements that have furthered our shared commitment to democratic values, human rights, and economic cooperation. This is reflected in the U.S.-Thailand Communique on Strategic Alliance and Partnership, signed last year, and the first ever U.S.-Thailand Strategic and Defense Dialogue held last year.

We must recognize Thailand's unwavering commitment to our shared values throughout the ebbs and flows of shared adversity and prosperity. Therefore, I warmly thank the Royal Thai Embassy in Washington, D.C. for organizing the Sawasdee Thai Festival, which commemorates the enduring friendship between our two nations.

As we celebrate this significant milestone, it is essential to recognize the individuals who have contributed to enhancing the understanding and strengthening the ties between our nations. I want to extend my heartfelt appreciation and recognition to Park Boonnuch, who has provided invaluable assistance to my Congressional Office and been a valuable help in various matters of Foreign Affairs.

Through Mr. Boonnuch's dedication and expertise, we have gained a deeper understanding of the Thai people's rich culture, history, and aspirations. Mr. Boonnuch has also demonstrated a strong passion for understanding the intricacies of the United States government system. We have witnessed his desire to acquire knowledge and share this newfound wisdom to improve U.S.-Thailand cooperation.

As a result of his tireless efforts, not only have we witnessed an enhanced spirit of cooperation between our nations, but we have also borne witness to the blossoming of a profound fellowship that unites us ever closer.

As we look ahead, let us reaffirm our commitment to the enduring friendship between Thailand and the United States—"as long as heaven and earth shall endure"—as reflected in the Treaty's preamble. May the next one thousand years be marked by even deeper diplomatic relations, cultural exchange, and mutual respect. Together, we can build a future that upholds our values and paves the way for continued prosperity and friendship.

Mrs. McCLAIN. Mr. Speaker, I rise today to recognize Paul Englehart, who celebrated his 98th birthday on June 27, 2023. I am honored to pay tribute to him for his service and loyalty to his Nation during wartime.

Born in 1925 to Calvin Englehart and Margaret Squire, Paul grew up in Toledo, Ohio alongside his twin sister, Pauline, and older brother, Russell.

After the outbreak of the war, Russell served in the South Pacific until its end in 1945. But after Paul graduated from Libbey High School in 1943, he too decided to enlist in the United States Army.

Paul received his training at Fort Custer in Battle Creek, Michigan. At the time, his training assignment was to guard prisoners of war. He was then sent to Roswell, New Mexico, to guard German prisoners.

In July 1944, along with 5,000 other soldiers, Paul was dispatched to the Philippines where he would continue his assignments, and on January 14, 1946, he was honorable discharged.

In 1950, Paul married his wife, Loulla, and had three children, Roy, Ann, and Kathy. Paul then began work as a draftsman for the Pack-

ard Motor Car Company in Detroit where he stayed for two years.

Paul then worked for GM-Truck and Bus in Pontiac, Michigan, to continue his specialization as a draftsman. He remained there for 25 years, retiring in 1981. While at GM, Paul was specially recognized for not missing a day of work in over a decade of service.

During his much-earned retirement, he has enjoyed traveling to Las Vegas, Nevada—and especially the Grand Canyon. For over 25 years, Paul has also been an active participant in the VFW.

On behalf of Michigan's 9th Congressional District, I am proud to offer my warmest birthday wishes and a debt of gratitude for his honorable service to the United States Army. We are proud to have Paul Englehart in our community.

Friday, June 30, 2023

Ms. STRICKLAND. Mr. Speaker, I rise today to recognize Major Jonathan Taylor of the United States Air Force upon his departure from this body as a Legislative Affairs Officer for NORAD and USNORTHCOM. In that role, Major Taylor served as a bridge between key Department of Defense senior leaders and Members of Congress, advising both on the impacts of Congressional proceedings and legislation to Homeland Defense and National Security. Prior to this role, he served for nearly three years as a Legislative Liaison for the Department of the Air Force during which he escorted many of us Members across the world on successful Congressional delegations, educated and advised his commanders and Members on critical missions sets, and helped us pass three consecutive NDAAs.

Major Taylor's exemplary career began in 2009 as a Distinguished Graduate from the University of Mississippi's Air Force ROTC Det. 430, and he earned his wings at Euro-NATO Joint Jet Pilot Training on Sheppard AFB, TX. He spent the next nine years flying the mighty C–17 Globemaster III around the globe, amassing over 2,400 hours, including 555 combat hours, executing airlift, humanitarian, airdrop, and special operations missions. HONORING THE EXTRAORDINARY LIFE AND LEGACY OF MIKE LONG

HON, ELISE M. STEFANIK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, June 30, 2023

Ms. STEFANIK. Mr. Speaker, on behalf of New York's 21st Congressional District, I rise today to recognize and honor my good friend, Mike Long, the longtime Chairman of the Conservative Party of New York.

Mike Long was a man of integrity who lived a life of service above self. In the realm of New York politics, he was among the most highly respected leaders, held in high esteem by both his allies and his political opponents.

Proudly born in Brooklyn, New York, Mike was raised in southern Queens. In 1959, feeling strongly that he had a duty to his country, he enlisted in the United States Marine Corps. Following his military service, Mike began his career in elected office, serving on the New York City Council before becoming Chair of the New York State Conservative Party. Throughout his term, Mike met with virtually every state and federal Republican and Conservative candidate running for public office. His chairmanship continued for more than 30 years, a testament to his character, his work ethic, his leadership, and his determination to make a difference.

Mike proudly stood as a champion for hardworking New Yorkers and a lifelong advocate for smaller government, lower taxes, and improving the lives of New York families. In recognition of his strong defense of the rights of the unborn, Pope Saint John Paul II named him a Knight of St. Gregory, one of the highest honors for a Catholic layman.

I am honored that I was able to call Mike a true friend.

When I first ran for office, I reached out to Chairman Long to set up a formal meeting and seek his advice. The meeting was set for his Brooklyn office, however, I had gotten lost driving in the city and ended up being hours late. When I arrived, Mike couldn't have been more gracious—I will never forget it—he said I will probably win my campaign because I know how to drive in upstate New York, but clearly not in New York City.

I was proud to earn his support and that of the Conservative Party. My family was honored to have Mike and his wife, Eileen, at our wedding years later. He is a dear lifelong friend

While my heart remains broken under the weight of his irreplaceable loss, my sadness gives way to joy when I think of Mike at peace in heaven, keeping tabs on New York politics surrounded by angels.

As I honor him for his service and an extraordinary life well lived, we join together in praying for his beloved family, thousands and thousands of friends, and a vast community of admirers.

HON. HALEY M. STEVENS

Ms. STEVENS. Mr. Speaker, I rise today to honor the memory of Dr. Dennis Carlton Woods, an inspiring and influential member of the Southeast Michigan community who passed away on May 26th of 2023. As Dr. Woods' family reflected upon their loved one's magnificent life, they affectionately recalled him as a persistent, creative, and intelligent father and community member. While Dr. Woods will be deeply missed by the many people he impacted, there is no doubt that these qualities have been passed on to his family and friends and will continue to positively influence his community.

On December 3, 1943, Dr. Dennis Carlton Woods was born in Detroit, MI, to Flavia Bell Taylor and Meldon Hubert Woods. Welcomed into a large, loving family, he was the third of seven dedicated and energetic children. After losing his father, Meldon, early in life, Dr. Woods sought new opportunities for himself and was determined to fulfill his intellectual curiosity. This determined spirit led him to Tennessee State University as a student athlete studying biochemistry with the intention of going to medical school. As a true Michigander, he still managed to return to Detroit during his summers to work at the Ford Motor Company foundry. Working hard to support himself and explore any opportunities that came his way, he sincerely believed that hard work is what is required to make something out of your talent. These values took Dr. Woods to Meharry Medical College in 1967, where he was incredibly involved in his campus community and pursued his medical degree, specializing in ophthalmology.

Outside of his academic career, Dr. Woods

tried as many different activities as he could while at Tennessee State University and Meharry Medical College. During his undergraduate career, he pledged Kappa Alpha Psi Fraternity, Inc. While in medical school, he was Editor-in-Chief of the student newspaper, the Meharrian. Class Treasurer. Pre-Alumni Association Treasurer, captain of the Meharry basketball team, and member of the Urology Club. His time as a student was also when he developed a passion for civil rights.

His drive to try new things didn't stop when he came back home to Detroit. Even when he co-founded a private practice, the Detroit Medical Group, he continued to lead an adventurous and well-rounded life. Dr. Woods became politically active in the area, hosting multiple political fundraisers at his home for multiple candidates, including the first African American mayor of Detroit, Mayor Coleman Young. These acts of social service included volunteering regularly at Plymouth United Church of Christ. Throughout his lifetime, he enjoyed fine art, photography, gardening, genealogy, travel, and more. His hobbies allowed him to bring his community of family and friends together to enjoy the activities as a

Above all, Dr. Woods was a family man. He was a loving father to his three children-Delisa Chimene, Dennis Jr., Krystle Charonand was married to his wife-Polly Ann-for almost 55 years before his passing. He was heavily involved in his children's upbringing and encouraged them to pursue several opportunities and find their passions early in life. He spread his life experience, kindness, and zest for life to his children throughout their upbringing by showing them what they could achieve and supporting them in their individual pursuits. He remained close to his family and was even fortunate enough to spend time with his nine grandchildren. Dr. Woods had an impact on everyone around him-he took photos of families at every community gathering, participated in shared gardens, spread his scientific teachings, and connected people across his lifetime.

Dennis Carlton Woods was truly a unique man-he was driven, brave, intelligent, curious, and above all, he was kind. His loss is one that leaves a community not only with irreplaceable memories, but also with valuable life lessons and love that will never leave them. He was a loving husband, father, and community leader who never failed to teach those around him. His legacy of hard work, dedication, and belief in his peers to succeed will live on for years to come.

Mr. Speaker, it is a great honor to recognize the life of Dr. Dennis Carlton Woods today. and I ask my colleagues to join me in celebrating his remarkable impact on his communitv.

CELEBRATING FARMINGTON HILLS UPON ITS 50TH ANNIVERSARY

HON. HALEY M. STEVENS

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES Friday, June 30, 2023

Ms. STEVENS. Mr. Speaker, I rise today to celebrate the 50th anniversary of the city of Farmington Hills, and to recognize its contributions to the state of Michigan. Farmington Hills is a haven for a diverse community, for children of all ages, and for growth and justice. Over a hundred years before it became a city, Farmington Township and the Village of Farmington lived next to each other in harmony as a farming community that made its mark on Michigan history.

Farmington received its name from its first settler, Arthur Power, who hailed from Farmington. New York. Power and Dr. Ezekiel Webb helped develop the community by starting families and creating a post office, a physician's office, and school. Together, they developed a small, strong farming community that slowly grew more businesses and traditions. Power spread his Quaker religious teachings to his son, Nathan, and imbued in him respect for all humans regardless of race. Nathan Power went on to serve as President of the Oakland County Antislavery Society. As a result of Nathan Power's leadership, Farmington became a key stop on the Underground Railroad and a channel for formerly enslaved individuals to travel to Detroit and Canada. Other famous abolitionists that spent time in Farmington in the 1800s include Laura Haviland, J.Š.T. Milligan, and Sojourner Truth.

The city was also a part of a secret attack by the Japanese during World War II known as Operation Fu-Go, which launched over 9,000 hydrogen balloons that failed to explode over the U.S. and Canada. One of these balloons was found near 8 Mile and Gill roads in Farmington in 1945. The balloon started a small, short-lived fire in an open lot near the home of the Hedt's family and looked like a bonfire. At the instruction of the American government, the Farmington community and media stayed quiet about this attack until a few months later. In true patriotic fashion, Farmington contributed many of its dedicated

community members to the war effort, including Army Private Alfred Ricke who was recently identified after being considered Missing In Action for the past 78 years.

Farmington Township and the Village of Farmington began on their journey to join together and become a city in the 1970s, and the Township incorporated in May of 1973 to become the City of Farmington Hills. Becoming a city put Farmington Hills on the map, literally and figuratively. It brought in new business, more people, and inspired development. In the last fifty years, the City of Farmington Hills has grown from a simple farming commu-

nity to one of the most diverse, populous, and safe cities in the state of Michigan.

Mr. Speaker, it is a great honor to represent the City of Farmington Hills, Michigan, a community that represents true Michigan spirit and unique culture. This city's strong history represents the core values that make this a wonderful place to live, and it makes the 11th Congressional District proud. Their contributions to this state and this country have not gone unnoticed, and I ask my colleagues to join me in celebrating their 50 years of being the city of Farmington Hills, a place and a people that make us a stronger nation.
